

# DOUGLAS MERRICK

**M&E Specialist**

## PROFILE

Douglas is a presentable, outgoing Manager with a very personable character.

A pro-active team player, capable of developing effective relationships to deliver both hard and soft projects.

Able to work in client-focused teams, to aid strategic development, planning, coordination and implementation; whilst helping to resolve the diverse and sometimes conflicting needs of front-line services, external partners and providers, ensuring successful delivery of FM and H&S services.

**Qualifications:**  
NEBOSH General
